

By car

In the evenings you'll normally be able to find street parking on Upper George Street itself, but during the day we advise using one of the town centre car parks and walking the short distance to LCET in Upper George Street.

Take Junction 10 off the M1 and take the second exit at the main roundabout, going straight on towards Luton airport. At the next traffic lights, turn left onto Gypsy Lane (A505), following the signs to the town centre. You will pass the Vauxhall Recreation Centre on your left.

Continue straight on over two smaller roundabouts and take the second exit, going straight on, at the main roundabout approaching St Mary's Road, where you will see a large church on your left hand side.

Remain in the left hand lane and pass through the first set of traffic lights. The Mall Arndale will be on your left. A car park entrance can be found by taking the first slip road to the left (John Street) and following the road in to Melson Street which will lead you into Market Car Park. Alternatively Central Car Park is situated off Cheapside and additional parking is available in the old Bus Station Car Park.

From Bedford use the A6 and follow the signs to the town centre and from Hitchin use the A505 and follow the signs to the town centre.

LCET is a five minute walk from any of these car parks. Once you've parked, you'll need to head towards the shopping centre (The Mall Arndale) and through onto George Street. Exits to George Street are signposted within the shopping centre.

At the end of George Street stands the Town Hall, visible with its easily identifiable clock tower. Head towards this and you'll find Upper George Street alongside the left hand side of the Town Hall.

LCET's offices are opposite the main entrance to the Town Hall and next to a local pub, The Duke of Clarence.

Set your SatNav to LU1 2QX for LCET.

Set your SatNav to LU1 2LJ for The Mall Arndale and car parks.

By train

LCET is a five minute walk from Luton train station. Exit the station using the pedestrian bridge towards the town centre. At the traffic lights cross over Guildford Street and you will see the Mall's entrance directly ahead of you. Head up the escalator into the shopping centre and walk straight through into George Street.

At the end of George Street stands the Town Hall, visible with its easily identifiable clock tower. Head towards this and you'll find Upper George Street alongside the left hand side of the Town Hall.

LCET's offices are just along from here, opposite the main entrance to the Town Hall and next to a local pub, The Duke of Clarence.
